S.½ S.E.¼ Sec. 34 Tp. 19 Rge. 1 West 4 Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that amendment to the Dominion Lands Act does not permit of granting those settlers, who had their original homestead entries cancelled for default, or who had become entitled to patent on or before the 1st January, 1918, the right to make a second homestead entry on a new second homesteading terms.

Therefore, if you are the bona fide settler obtained patent for the quarter section of your homestead, this is the only land for which you have forfeited homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be the authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands at the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unperfected pre-emption or homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Dear [illegible]

Re: John Bacon - [illegible] 10-1-29- 4th Unpatented
Joint Relief

This was secured the following advances by the Provincial Government for which the above property was given as security and liens registered by the Dominion Government on account of the fact that title had not been issued.

Relief:

Lien 2907, Feb. 2, 1931,	40.50		
4250, Mar.17, 1932,	41.50		
2859, Jan.15, 1932,	31.55

9238, May 1, 1929,	19.90		
4093, Mar.31, 1930,	120.00	308.63	
Int. to Mar. 31, 1932,		2 3.07	341.70

In due course the Doctor abandoned the land, and his entry was cancelled following which one, Bertram Frank Tibley made re-entry and upon application for an adjustment of the liens, your Board issued Order No. 614 on April 10th, 1929, recommending the release of these encumbrances, which recommendation was duly accepted by the Dominion Government, and authority for the removal of the liens forwarded to the Registrar.

It was not deemed advisable when previously [illegible] with these liens to write off the indebtedness of Bacon although his whereabouts were reported to be unknown there was [illegible] to be sundry chattels which if located, could be seized and sold for the benefit of this account. It now however transpires that it has not been found possible to locate the Government [illegible] time, so that no good purpose can be served by the retention of account which I would recommend be written off.

Yours very truly,

Director.

Supplementary to Board Order No. 614, the Tax Consolidation Board, hereby recommends that all liens charged against the N.E.¼, 10-1-20-3. 4th Mer., for advances made to John Bacon, be discharged.

The Board submits in support of this recommendation:-

1. That under Board Order No. 614, it was recommended that the liens charged against this land be discharged, for the reason that the debtor's homestead or pre-emption entry thereto had been cancelled, that the land had been entered for by Bertram Frank Sibley, and it was not advisable that the new entrant be handicapped by requiring him to assume the liabilities of the original entrant and it is understood that this recommendation has been accepted.

2. That under Board Order No. 614, it was recommended that the total amount payable on account of said liens be retained as a charge against the debtor John Bacon, under his personal covenant, as it was thought that certain chattel mortgage security taken as collateral for the advances might be realized upon.

3. That it has now been reported to the Board that all the chattel mortgage security has disappeared and that the debtor has also disappeared and nothing can be realized under his personal covenant.

The Board therefore recommends that the liens be unconditionally discharged, and the total amount payable thereon be written off as uncollectible.

2. That under Board Order No. 614, it was recommended that the total amount payable on account of said liens be retained as a charge against the debtor John Bacon, under his personal covenant, as it was thought that certain chattel mortgage security taken as collateral for the advances might be realized upon.

3. That it has now been reported to the Board that all the chattel mortgage security has disappeared and that the debtor has also disappeared and nothing can be realized under his personal covenant.

The Board therefore recommends that the liens be unconditionally discharged, and the total amount payable thereon be written off as uncollectible.

THE DEBT ADJUSTMENT ACT

CHAPTER 43 SESSION 1927

OFFICE OF THE DIRECTOR

DEPARTMENT OF MUNICIPAL AFFAIRS

EDMONTON, ALBERTA

IN YOUR REPLY REFER TO FILE NO. T-B-571
5-B-1

February 15th, 1932.

E. J. Ream, Esq.,
Chairman,
Seed Grain & Relief Adjustment Board,
EDMONTON, Alberta.

Dear Sir:-

Re: John Bacon - N.E.¼ 10-1-20-W4th Unpatented
Joint Relief

This land secured the following advances from the Provincial Government for which the above property was given as security and liens registered by the Dominion Government on account of the fact that title had not been issued.

Relief:

Lien 2907, Feb. 4, 1931,	$40.50		
4250, Mar. 1, 1932,	41.50		
3659, Jan. 14, 1932,	31.50		
3619, Apr. 6, 1932,	55.20		
9234, May 1, 1932,	13.80		
4393, Apr. 11, 1930,	180.70	30.63	
Int. to Jan. 31, 1932,		233.07	$541.70

In due course the Debtor abandoned the land, and his entry was cancelled following which one, Bertram Frank Sibley made re-entry and upon application for an adjustment of the liens, same issued under No. 614 on April 10th, 1929, recommending the release of these encumbrances, which recommendation was duly accepted by the Dominion Government, and authority for the removal of the liens forwarded to the Registrar.

It was not deemed advisable when originally dealing with these liens to write off the indebtedness of same although his whereabouts were reported to be unknown. There was supposed to be stock cattle which if located, could be seized and sold for the benefit of this account. It now however transpires that it was not been found possible to locate the Government securities, so that no good purpose can be served by the retention of this account which I would recommend be written off.

Yours very truly,

WH:C

INTERIOR DEPT. OTTAWA
AUG 10 1915
REGISTRATION BRANCH

Lethbridge, Alta., 191 5.

Notice is hereby given that the S. E. Section 24 Township 1
Range 20 West of the 4th Meridian, is now available for settlement and will be reserved for PRE-EMPTION ENTRY by one of the homesteaders living on adjoining lands, provided such homesteader is entitled to this privilege, for a period of fifteen days from the date of this notice, that is to say, until the closing of the Land Office on the

21st day of AUGUST. 191 5 on the following conditions:

(1) If the homesteader who has the prior right applies for entry for the land so reserved before the close of office hours on the 15th day hereafter, he will be granted pre-emption entry provided his application is regular in other respects.

(2) A homesteader whose right to a pre-emption entry for this quarter-section is second, third, or fourth in order of priority, will not be given entry before the close of office hours on the 15th day from the date of this notice. If the homesteader having priority of right does not apply in person for entry before the close of office hours on such 15th day, the claimant next in order of priority, who is present in person at that time, shall be accepted, provided his application is regular in other respects, and he shall be given an entry receipt either then or on the opening of the office on the day following in priority of any other business.

(3) If an application for pre-emption entry for this land is not made in person by one of the homesteaders entitled to the entry as above provided, the land will then be posted in the ordinary way for a period of ten days and then disposed of to the first eligible applicant.

Acting Agent Dominion Lands.

XXXXXXXX
Sub-Agent or Postmaster at MILK, Alta.

Please post in a conspicuous place.

PRIORITY OF APPLICANTS FOR PRE-EMPTION.

(a) In deciding the question of priority of right between two applicants for pre-emption entry the provisions of subsection 6 of the Dominion Lands Act must be observed. Declarations of intention of entry made by before survey stand on the same footing as regards priority of right to pre-emption. For the purpose of determining the date of posting of date of squatting before survey, and of posting of notice of homestead entry, the date of entry is to be considered as the same day. In case first entered in the books has the prior right.

(b) It is to be noted that priority of pre-emption right by reason of priority of homestead entry does not apply unless the entry is in good standing.

(c) For the purpose of homestead entry which has stood for two months without being completed, or in respect of which default has occurred to be in good standing.

(d) A homestead entry will not be cancelled for default exceeding six months after date upon which entry is in good standing if the entrant has been unable to reside upon the land for six months before the date upon which entry is completed, and is otherwise complying with the provisions of the Act.

(e) An entry under protest is not to be considered as being in good standing for the purpose of establishing priority as against another applicant for pre-emption who is in good standing, unless the homestead entrant proves that he is in actual residence.

(f) In case the homestead entry of an applicant for a pre-emption entry is subject to an application for cancellation, the question of right of such homestead entry to be set aside on the application of the Agent, notice to be given to the parties interested. If sufficient evidence is not available to warrant a decision he may withdraw it and refer it to Head Office, and the case will be continued until the decision of Head Office is received, and the position of the other applicant or applicants, will be maintained in the meantime.

(g) The question of the good standing of a homesteader applying for pre-emption entry is not to be raised except in case of conflicting application for pre-emption by another homesteader or by a squatter before survey or by an applicant for homestead entry, either free or purchased, or by an applicant for cancellation.

Sir,

On the 6th ult. Mr. Bertram W. Sibley was communicated with at Mountain View, Alta., and allowed a period of thirty days within which to make entry for the South East quarter of Section 24, Township 1[illegible], 20 West of the 4th Meridian, he being the applicant for cancellation. This letter, which was registered was returned to this office undelivered.

INTERIOR AUG 1 1915

An examination of the envelope, which I enclose herewith, shows that the letter was posted at Lethbridge on the 6th July, 1915, arrived at Cardston on the 7th, left Cardston on the 8th and was returned to Lethbridge on the 9th. It would not appear that it ever reached its destination, namely: Mountain View, Alta., and Mr. Sibley was not, therefore, advised that the quarter section was available for him. On the 6th inst. the land in question was posted for fifteen days in accordance with the pre-emption regulations, and Messrs. Mathias Welter and Frederick Hanson, the adjoining homesteaders, advised to that effect.

Under the circumstances, I am to-day advising Messrs. Welter and Hanson to take no action on my letter to them of the above mentioned date until further advised, and I would ask that I be authorized to allow Mr. Sibley a further period of thirty days to make entry for the quarter section in question.

I enclose herewith a declaration completed by Mr. Sibley requesting that he allowed a further period within which to make entry.

Re SEED GRAIN

Sir:-

In reply to your enquiry regarding seed grain I have to inform you that it is hoped that settlers will be able to provide themselves with seed grain this year without looking to the Dominion Government for help. The prosecution of this war has imposed, with its very heavy expenditures and vast amount of work a heavy burden on the Federal Government, which calls for the greatest possible co-operation on the part of all residents of Canada. Under the circumstances this Department will grant assistance only to destitute homesteaders and furnish seed grain under the following conditions:-

1. Applicant must be a homesteader on unpatented land and in destitute circumstances, who lost his crop last year by some calamity, and whose land would have to go unseeded but for the aid of this Department.

2. Only sufficient seed will be allowed for the acres already under cultivation on the applicant's unpatented land and no seed will be allowed for spring breaking.

3. All applications before receiving any consideration from this office will have to be certified to by the Dominion Lands Agent, in whose district the land is situated. This certificate to show that the land described was filed upon by the applicant, is in good standing and patent not issued.

4. It is not the intention of this Department to ship any seed from outside points provided seed grain can be purchased locally by applicant on Government order. Applicants must give name and address of party or parties from whom the seed they require can be purchased, and state the price per bushel. If grain cannot be procured locally, the Department will purchase the seed required but applicant must state on his application the station where the grain should be shipped to.

5. If the applicant receives favorable consideration an official order will be issued from this office accompanied by liens. The party to whom this order is made out will supply to the settler the amount of seed stated thereon. After the liens have been signed and completed by the applicant and a receipt given for the grain so received. Any changes made in the papers cancels same. The party supplying the seed will attach his account in triplicate also the order and receipt for the grain together with executed liens in duplicate to this office. After papers so received are found to be properly completed, a Department cheque will be issued to cover the advance.

6. This Department will not be responsible for purchase of seed grain unless an official order is issued.

7. Settlers on patented land requiring seed grain must apply to their Municipality or to the Provincial Government.

8. Any applicants securing seed grain from this Department through any misrepresentation will be severely dealt with.

Enclosed please find application blank.

Sir,-

S.E¼ of Sec. 24, Tp. 1, Rge. 20, West 4th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Dominion and Joint Relief Advances

The attached report, with recommendations of the Chief Collector of the Collection Branch, Department of Municipal Affairs, dated May 12,1954, has been submitted to the Agricultural Relief Adjustment Board, and in the opinion of the Board the proposed adjustment is fair and reasonable and it is desirable that it be accepted.

TO:

The Honourable A. C. Manning,

May 12,1954

No. 11217

Mr. J. W. Jamie,
Chairman,
Seed Grain and Relief Adjustment Board,
Edmonton, Alberta.

Dear Sir:

Re: Bertram Frank Sibley
SE 24-1-20-W.4th.
Dominion and Joint Relief Advances

The above party obtained the following Dominion and Joint Relief Advances, giving as security liens on the title to the land above described.

Dominion Advances	
Seed Grain 1918	$110.90
Seed Grain 1919	45.30
	309.20
	522.03
Interest to November 30th,1953	1,191.23
Joint Relief Advances	
April 19th,1920	224.40
December 4th,1919	78.70
May 4th,1920	87.00
	330.30
	99.76
Interest to March 31st,1953	$1,130.06

The debtor, through his solicitors has approached this office for a compromise settlement of these accounts, and a payment has been tendered in the sum of Three hundred and sixty-nine dollars and twenty cents ($369.20).

The above land was homesteaded by the debtor and he received patent in October 1919. It is situated in one of the drier sections of the province and in a township where awards under the Prairie Farm Assistance Act have been made in seven of the past thirteen years.

The debtor is married, 63 years of age and has two children, a son 20 years old and daughter 17. The son assists his with farming and receives a nominal wage for his services. The debtor also owns and farms the N.E. 10 & S.E. 24-1-20-W.4th. The S.E. 24-1-20-W.4th is assessed for Nine hundred and forty dollars ($940.00). He has obtained a line of farm machinery since 1948 under the Government Farm Improvement Loans and presently owes approximately three thousand dollars ($3,000.00) on these

[redacted] and machinery repairs.

Mr. Sibley, now getting along in years will have to depend more and more on his son's assistance with the farm work or hire labor and under normal dry conditions the income from the farm will be limited.

In view of the above circumstances it is my opinion that the offer be accepted which would mean a recovery of the full principal amount of the Dominion Advances. I therefore recommend that the payment be applied in the full amount to Dominion Advances and after application has been made that the account for Dominion Advances be so adjusted that the liability of the debtor shall be satisfied in full and the liens discharged.

It is my further recommendation that the account for Joint Relief Advances be cancelled in the full principal amount of Three hundred and fifty dollars and thirty cents ($350.30) and accrued interest of Eight hundred and nine dollars and seventy-six cents ($809.76) and the debtor's land released from the liens.

Provincial Seed Grain Advances of Two hundred and seven dollars and twenty-two cents ($207.22) have already been cancelled together with accrued interest.

Yours very truly,

Re: Account of Jesse J. Lewis
S.E.¼ 12-1-20-W.4th

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1915 and 1918 seed grain, fodder and relief amounting to $397.15 were advanced to Jesse J. Lewis on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:-

Principal	Interest	Total
$397.15	$77[illegible].12	$1,170.[illegible]

Patent was issued in the name of Jesse Jerome Lewis for the S.E.¼ 12-1-20-W.4th on the 27th of August, 191[illegible], subject to the liens.

This quarter-section is not of high assessed value and has never been revenue producing sufficiently to enable the repayment of the liens.

Some years ago the land became subject to forfeiture proceedings for nonpayment of arrears of taxes and title was acquired by the Municipal District of Sugar City No. 5. They in turn have since transferred title to the Department of Municipal Affairs, Province of Alberta.

According to an Abstract of Title dated the 1st of February, 1956, this quarter-section is now registered in the name of Her Majesty the Queen in the right of the Province of Alberta, as represented by the Minister of Municipal Affairs. As such the land no longer offers any security of value for our liens.

Under the circumstances it is recommended that the indebtedness be cancelled and the liens discharged.

Joint Relief Advances

The attached report, with recommendations of the Chief Collector of the Collection Branch, Department of Municipal Affairs, dated June 28th, 1955, has been submitted to the Agricultural Relief Adjustment Board, and in the opinion of the Board the proposed adjustment is fair and reasonable and it is desirable that it be accepted.

In accordance, therefore, with the provisions of the Agricultural Relief Adjustment Act, Revised Statutes of Alberta, 1942, IT IS ORDERED that the recommendations for the adjustment and settlement of the said account contained in the said report, be and the same are, hereby APPROVED AND ACCEPTED.

BOARD ORDER
No. 11286

Dear Sir:

Re: SW 3-1-22-W.4th Mer.
Nicholas Graveland,
Joint Relief Advances

The above named party obtained Joint Relief advances on January 12, 1920, in the amount of $100.70 for which a lien was registered against the title to the above described parcel. Interest to date amounts to $248.26 - a total of $348.96 being outstanding.

Recently this Office received a letter from the Soldier Settlement and Veterans' Land Act at Calgary, requesting information regarding this encumbrance and they were furnished with particulars of the account.

The debtor has remitted the sum of One Hundred and Fifty dollars ($150.00) which is his offer for a full settlement of the account. He states that he was unaware of the existence of this outstanding indebtedness and asks that his offer be accepted.

In view of the fact that this payment represents full recovery of the principal amount of the advance, together with approximately Fifty Dollars ($50.00) on account of the interest charges, I would recommend that same be considered satisfactory settlement and that the offer be accepted.

I would further recommend that upon application of this payment being made to the account, it be adjusted so that it will stand paid in full and the lien released from the title.

Yours very truly,

S. Charlebois,
CHIEF COLLECTOR.

THE HONOURABLE CHARLES STEWART,
Minister of the Interior,
O t t a w a.

MEMORANDUM:

Request for Transfer of Dominion Lands.

Re: Vernon W. Hays, Lieut.
S.W.¼ 12-1-22 W. 4th M. (Hsd)
N.W.¼ 12-1-22 W. 4th M. (S.G)

The above named settler secured advances from the Board for permanent improvements and stock and equipment totalling $2900.00, the Board taking a charge upon his unpatented homestead and soldier grant above described. Owing to such charge, patent to the homestead and soldier grant cannot be issued to the settler until his indebtedness to the Board has been fully discharged.

We are now in receipt of an application from Mr. Hays requesting that patent to his homestead and soldier grant should be issued in favour of the Board. Mr. Hays states that he has completed all duties in connection with his homestead and soldier grant and would be entitled to receive patent therefor were it not for our charge. This is confirmed by the letters from the Secretary of the Department to the Board and to the settler, dated the 17th February, 1925 and the 14th August, 1923, copies of which are attached hereto.

In order to enable a settler to negotiate a sale of land in cases of this character, special Regulations were promulgated by the Board as approved by the Governor in Council on the 4th day of June, 1921, (P.C.1821), which enables the Minister, on completion of duties by the settler and on the request of the Board, to vest the settler's right, title and interest in the unpatented land held by him in the Board, title remaining in the Board until the settler's indebtedness to it has been repaid. Under the provisions of these Regulations, the Board hereby requests that the right, title and interest of His Majesty in the W.½ 12-1-22 W. 4th M. be vested in the Soldier Settlement Board. The Vesting Order covering same is attached hereto for the Minister's signature.

Respectfully submitted,

CHAIRMAN.

The Soldier Settlement Board

Canada.

S.S.B. File #3-1514.

Office of the Chairman

OTTAWA, 8th February, 1928.

Memorandum -

Request for Title under Order in Council of the 4th June, 1921, where duties completed by soldier settler.

Re. John Edward Woods,
S.E.¼ 1-1-22-W.4th M. (S.S.)

The above-described land is the unpatented soldier grant of this settler.

The settler has obtained advances from the Board totalling $2500.00, as follows: stock and equipment, $1710.00; permanent improvements, $790.00. As security the Board holds a charge on the settler's soldier grant. The only other land security held by the Board in this case is first mortgage on the N.W.¼ 1-1-22-W.4th M., the settler's privately owned quarter-section.

The Board is informed that the settler has completed the duties in connection with his soldier grant and would be entitled to receive patent now for the Act's charge. This is confirmed in the letter from the Secretary of the Department of the Interior to the settler dated the 29th August, 1927.

The regulations approved by the Governor in Council on the 4th June, 1921, P.C. 1821, enable the Minister, on completion of duties by the settler and on the request of the Board, to vest the settler's right, title and interest in the unpatented Dominion land held by him in the Board, title remaining in the Board until the settler's indebtedness has been repaid. Such transfer of title also enables the settler to negotiate a sale of the land with the view to repaying the loan he has obtained from the Board.

The settler has requested that title to the land in question be issued to the Board. There is nothing on file to show that he contemplates discontinuing his farming enterprise. However, the settler desires to have title issued as aforesaid in order that it may be held by the Board as security for the advances granted, and in order to be in a position to negotiate a sale should he decide to do so at a future date.

Under the provisions of the regulations referred to, the Board hereby requests that the right, title and interest of His Majesty in the S.E.¼ 1-1-22-W.4th be vested in the Soldier Settlement Board.

A Vesting Order for the Minister's signature is attached hereto.

Chairman.

The Honourable Charles Stewart,
Minister of the Interior,
Ottawa.

AND WHEREAS, pursuant to an application made by the said John E. Woods, who is residing on the said land, the Soldier Settlement Board of Canada has requested the Minister to transfer the said land to the Board to be dealt with by it in accordance with the regulations approved by the Governor in Council on the 4th day of June, 1921, P.C.1821.

OTTAWA,

Sir,

Re N.W.¼-23-1-22-W.4th M.

I am to acknowledge your letter of the 28th April last, notifying the Department of your intention on behalf of Miss Lillian Cousins, sister of the late Thomas Cousins, and next-of-kin, to apply for a grant of Letters of Administration of the estate, and requesting to be advised as to what arrangements could be made for deferment of payment for the pre-emption of the deceased entrant.

I may say in reply that it would be possible for the personal representative of the estate by filing Letters of Administration to obtain a Certificate of Recommendation, by virtue of which he would be entitled to mortgage, assign or transfer the interest of the estate in the land prior to the issue of patent, and in that manner obtain the necessary funds with which to discharge payment of the purchase price and accrued interest.

However, if for any reason the estate is averse to encumbering the property, an extension of time for payment would be considered, provided assurance was forthcoming that within a reasonable time in the future funds would be placed at the disposal of the estate to enable the administrator to complete the terms of purchase.

You might take the matter up with Miss Cousins and advise the Department further.

Secretary.

We have never settled several grievances from the Board totalling [illegible], the Board taking a charge upon his unsatisfied soldier grant above mentioned, to such purpose, that to the said grant cannot be issued to the settler until his indebtedness to the Board has been fully discharged.

We are now in receipt of an application from Mr. Baker requesting that patent to the soldier grant should be issued in favour of the Board. Mr. Baker states that he has received all letters in connection with the soldier grant and will be mailed to receive patent therefor here it not for our course. This is confirmed by the letter from the Secretary of the Department to the settler, dated the 17th of April last, copy of which is attached hereto.

In order to enable a settler to negotiate a sale of land in cases of this character, regulations have been established by the Board as approved by the Governor in Council on the 4th [illegible] of June, 1917, which enables the Minister, on application made by the settler and on the request of the Board, to vest the settler's right, title and interest in the unpatented land held by him in the Board, title remaining in the Board until the settler's indebtedness to it has been repaid. Under the provisions of these regulations, the Board hereby requests that the right, title and interest of his assignee in the S. [illegible] of [illegible]-[illegible]-[illegible] 4th [illegible] be vested in the Soldier Settlement Board. The letter from Mr. Baker covering same is attached hereto for the Minister's signature.

Sir,-

S.W¼ Sec. 4 Tp. 18 Rge. 5 West 4 Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Your obedient servant,

Joseph Swinborne Cole, Esq.,
Lynn Valley,
North Vancouver,
British Columbia.

Acting Commissioner
of Dominion Lands.

P.S. With reference to Departmental letter sent you the 17th instant, I beg to state that this letter contains the necessary authority to take up a second homestead and replaces any previous action taken.

Dear Sir,

Will you let me have the fraction of land on which I am living, and on which I was born and have lived all my life, 66 years. The land is on the south side of Moose Lake, and is only a fraction, the rest of the 1/4 section being in the lake. I think considering I was born and have lived all my life on this land, the Government might give it to me for nothing

to that I might take a homestead as well -

Pascal Breland, living on the N.E.Fractional ¼ of Section 30, Township 60, Range 6, west of 4th. Mer:, has sent me a letter which he received from you some years ago - dated May 30th.1912, No.267659 - concerning his location; and has requested me to state his circumstances to the Department.

He is an old man of over 70 years of age, and states that he was born where he is now living and that he has lived there ever since. Also that his father lived upon the same land for many years previous to Pascal's birth, but that he cannot say how long; his father died there about 60 years ago. Now, as settlement is crowding in around his location, he appears to afraid that somebody will be claiming his land. He is a halfbreed Indian and is quite illiterate; hence my reason for writing for him.

Your obedient servant,

Agency Clerk.

P.S.
Kindly address your reply to Pascal Breland, C/o Mr. John Bangs, Onion Lake, Sask. who will take the letter to Pascal and interpret it to him.

Mr. P. Breland, a half-breed, made application on the 18th of May, 1912, for a free grant of the land on which he had been living since the date of birth some 66 years previous.

You advised him the 30th of May, 1912, to furnish a description of the land on which he had been residing, reference 2678659. Mr. Breland did not reply personally but Lang Turner, Clerk at the office of the Indian Agency at Onion Lake has written under date of the 28th of August, 1919, that Mr. Breland has been living on the Fractional N.E. ¼ of 30-60-6-W4th Meridian. It would appear that Mr. Breland wishes to secure a free grant of this fractional quarter section in order that he may obtain another quarter section as a free homestead.

Is Mr. Breland entitled to a grant? It is possible that his claim was disposed of when the Treaty with the Indians was completed.

The Soldier Settlement Board

File No. 4-790.

Office of the Chairman

OTTAWA, June 15th, 1928.

Memorandum

Request for Title under Order in Council of the 4th June, 1921, where duties completed by soldier settler.

Re. William E. Hallowes,
N.E.¼ 31-58-6 W. 5th M. (msi.)

The above described land is the unpatented homestead of this settler.

Subsequent to the initial loan approved in favour of the settler on the 24th June, 1919, he has obtained advances from the Board totalling $4890.00, as follows: land purchase, $2340.00; stock and equipment, $2000.00; permanent improvements, $550.00. As security the Board holds a charge on the settler's homestead. The only other land security held by the Board in this case is charge on the settler's soldier grant, the S. E. ¼ 6-59-6 W. 5th, and title to the N.E. 36-58-7-W.5th and L.S.D. 12 and 13, section 31-58-6-W.5th, purchased by the Board for the settler.

The Board is informed that the settler has completed the duties in connection with his homestead and would be entitled to receive patent but for the Board's charge. This is confirmed by the letter from the Secretary of the Department of the Interior to the settler dated the 8th February, 1928.

The regulations approved by the Governor in Council on the 4th June, 1921, P. C. 1321, enable the Minister, on completion of duties by the settler and on the request of the Board, to vest the settler's right, title and interest in the unpatented Dominion Land held by him in the Board, title remaining in the Board until the settler's indebtedness has been repaid. Such transfer of title also enables the settler to negotiate a sale of the land with the view to repaying the loan he has obtained from the Board.

The settler has requested that title to the land in question be issued to the Board. There is nothing on file to show that he contemplates discontinuing his farming enterprise. However, the settler desires to have title issued as aforesaid in order that it may be held by the Board as security for the advances granted, and in order to be in a position to negotiate a sale should he decide to do so at a future date.

Under the provisions of the regulations referred to, the Board hereby requests that the right, title and interest of His Majesty in the N.E.¼ 31-58-6 W. 5th M. be vested in the Soldier Settlement Board.

This request for title is not affected by the recent amendment to Section 26 of the Soldier Settlement Act, as the advances referred to in the second paragraph hereof were approved and made to the settler subsequent to his having obtained entry on the land in question.

A Vesting Order for the Minister's signature is attached hereto.

J. G. Rattray
Chairman.

The Honourable Charles Stewart,
Minister of the Interior,
OTTAWA.

OTTAWA, 12th December, 1929.

Sir,-

S.E. ¼ of Sec. 27 Tp. 57 Rge. 14 West 4th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that an amendment to the Dominion Lands Act has been passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

Encl. 1. If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Ely Kiper or (Elie Keeper), Esq.,
Hamlin,
Alberta.

Your obedient servant,

P.S. I am enclosing a hand-book of the present homestead regulations which is printed for the information of the public.

DOMINION LANDS ADMINISTRATION

OTTAWA, 20th July, 1928.

Sir,-

N.E. ¼ Sec. 33 Tp. 62 Rge. 6 West 5 Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Your obedient servant,
